Community Foundations Welcome Grant Requests

The Charlevoix County Community Foundation and the Petoskey-Harbor Springs Area Community Foundation invite not-for-profit organizations, educational institutions, and municipalities which are in need of funding to submit grant requests in support of their efforts.

The community foundations are local philanthropies that work to raise a permanent source of charitable funds for Charlevoix and Emmet Counties through the endowment of donations from people who find value in our communities. A portion of these funds is used to invest in local organizations whose programs and projects improve or enrich the quality of life in our area. The community foundations and their Youth Advisory Committees (YACs) will review grant proposals to support arts and culture, educational enrichment, environmental awareness and preservation, community development, health and human services, youth programs, recreation, and various civic improvement projects.

Grant applications are available by calling the respective community foundation offices. Foundation staff is available to offer assistance to organizations interested in applying for funding. For more information about the grantmaking of your local community foundations, please contact Maureen at the Charlevoix County Community Foundation at 231-536-2440 or maureen@c3f.org or Sara at Petoskey-Harbor Springs Area Community Foundation at 231-348-5820 or www.phsacf.org.
