*Quotation: Jean Shinoda Bolen, M.D.

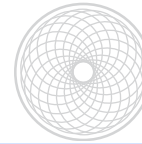

Being in a circle is a learning and growing experience that draws upon the wisdom and experience, commitment and courage of each one in it.

*It's like throwing pebbles in a pond: Each one has an impact and an effect, with concentric rings of change rippling out and affecting other relationships.**

The Hestia Women's Giving Circle

Our Mission: To support the economic self-sufficiency and well-being of women and girls in Emmet and Charlevoix counties

The Hestia Women's Giving Circle was organized in 2005 by women in Charlevoix and Emmet counties wishing to support the work of Planned Parenthood of West and Northern Michigan (PPWNM) and other organizations serving women and girls.

We come together to enjoy hands-on philanthropy, and to make a long-term, positive impact in our community. We do this by educating our members about local needs and making grants for programs serving women and girls.

Each member of the Circle contributes \$1,000 annually. By charter, between 30 and 50 percent of our funds support the work of PPWNM. The remaining funds are given as grants to area non-profits whose work meets our mission. Each year, we seek grant applications, review requests, and vote on which will receive Hestia support.

Funds are held, managed and distributed by the Charlevoix County Community Foundation.

You Can Be Part of the Circle

Any woman can join Hestia by pledging a tax-deductible gift of at least \$1,000 annually. You may share your membership with one other woman, casting one vote between you.
