

Youth Needs Cycle

Purpose and Process

Revised 8/23/2023

The mission of the Charlevoix County Community Foundation (C3F) is to enhance the quality of life for all citizens of Charlevoix County, now and for generations to come. The Community Foundation helps people make a difference close to home by accepting contributions of all sizes. Each year, the Community Foundation makes grants to organizations, schools, and municipalities to make positive change in Charlevoix County.

What is the purpose of the Youth Needs Cycle?

The purpose of the Youth Needs Cycle is to offer all eligible nonprofit partners the opportunity to apply for projects and programs that support Charlevoix County Youth. The Youth Advisory Committee (YAC) will prioritize applications for funding that meet identified priorities and have merit. All other youth proposals will be considered with the remaining available funding. Individuals, couples, families, and businesses who advise funds at the Community Foundation (donor advisors) may choose to make grants through the cycle as well.

Eligible applicants include:

- 501(c)(3) tax-exempt nonprofit organizations
- All units of government
- All educational institutions (preschool through college)
- Organizations described above that address Charlevoix County's youth needs
- Organizations that do not discriminate in hiring of staff or the provision of services.

Eligible organizations must be current with follow up reports for all previous grant awards from C3F and be in good standing with the IRS.

When is the application deadline?

The Youth Needs Cycle deadline is November 1 by 11:59 PM (Eastern), regardless of whether this is a weekday or weekend. The application will be available annually at www.c3f.org beginning in early September.

What kinds of projects or programs are most likely to receive grant funding?

The Youth Needs Cycle aims to support projects and programs that impact Charlevoix County Youth. Every three years, the C3F YAC conducts a Youth Needs Assessment in which they survey their peers (7th-12th grades) to help identify the areas of need in Charlevoix County, according to youth themselves. Based on the results, the YAC have outlined their areas of focus for youth grantmaking dollars and will evaluate grants with these priorities in mind. Other youth grant requests will be reviewed with remaining grant dollars each cycle.

Priority Areas:

- ***Youth Mental Health:*** with grant dollars, the YAC seeks to decrease stigma and increase education around mental health, and/or increase connection to direct services.
- ***School Atmosphere:*** with grant dollars, the YAC seeks to increase acceptance and belonging for youth at school, and/or decrease school-related stress.

Successful requests may include any of the following characteristics: demonstrate collaboration, address new needs or try new approaches for existing needs, encourage people to help themselves, focus on prevention of problems, and/or avoid duplication of services.

Organizations should ask for what they need. Restrictions will not be placed on requests by the Community Foundation to limit size or scope of request. Rather, applicants will determine those factors for themselves. Grant review committees will prioritize grant requests that score best on the criteria listed above.

What kinds of grants are generally not funded?

The Community Foundation's grant cycles generally do not fund annual fundraising campaigns, political campaigns, deficit spending, sectarian projects, or services normally supported by tax dollars.

All grant applications require a cash contribution. How much is necessary?

It depends on the topic and scope of the project, but the expectation is that nonprofit partners will contribute to the budget of the project or program.

What size grants are available in the Youth Needs Cycle?

This cycle encourages grants of all sizes. The request size should reflect the organization's need. Donor Advisors may also decide to contribute through their Donor Advised Funds. Community Foundation staff can provide additional guidance and information, if needed.

How does the Community Foundation make grant decisions for the Youth Needs Cycle?

Applicants may need to attend an interview with the YAC based on the extent to which the request meets the priority areas. Selected applicants should prepare for a 10 to 15-minute interview. The YAC will then recommend funding using dollars that are designated for this purpose to the Board of Trustees. The Community Foundation will also share these opportunities with donor advisors, who may choose to make grants through the cycle.

When will grant funding decisions be announced?

Community Foundation staff will notify grant applicants following approval from the Board of Trustees in early December.

What kind of follow up reporting is required?

The grant period is one year. A follow up report is available through the online grant portal to share about the successes of the program or project as well as the lessons learned. Providing photos is encouraged. Funded organizations will receive a reminder from administrator@grantinterface.com two weeks before the follow up report is due, then again one

day prior to the due date, and once more if the report has not been submitted by the deadline. If the program or project is delayed or cannot be completed within the time period, the organization's representative should call the Community Foundation.

Are there any other requirements?

- The governing board of the organization is responsible for appropriate use of funds and project implementation.
- Applicants must be current with follow up reports for all previous grants in order to apply.
- Proposals from faith-based organizations must address community needs and
 - Have a clearly demonstrated public benefit
 - Be fully accessible to all people regardless of religious beliefs and lifestyle choices
 - May NOT proselytize, (i.e. require anything in return for services provided. Examples: attending services or prayer groups and/or volunteering, etc.)
